The subject facility is operating in compliance with all A/C permit conditions and applicable Lake County Air Quality Management District (District), State and Federal Rules and Regulations. Based on information and belief formed after reasonable inquiry, the statements and information presented in this application and supplemental documentation are true, accurate, and complete. Applicant shall defend, indemnify and hold harmless the District and its agents, including consultants, officers and employees from any claim, action or proceeding against the District or its agents, including consultants, officers or employees to attack, set aside, void, or annul the approval of this application or adoption of the environmental document which accompanies it. This indemnification obligation shall include, but not be limited to, damages, costs, expenses, attorney's fees, or expert witness costs that may be asserted by any person or entity, including the applicant, arising out of or in connection with the approval of this application, including any claim for private attorney general fees claimed by or awarded to any party against the District, and shall also include the District's costs incurred in preparing the administrative record which are not paid by the petitioner. The District shall promptly notify the applicant of any claim, action or proceeding. Notwithstanding the foregoing, the District shall control the defense of any such claim, action or proceeding unless the settlement is approved by the applicant and that the applicant may act in its own stead as the real party in interest in any such claim, action or proceeding.
